Rainforest Cableway

Make your day extra special  
with a romantic rainforest wedding

## The Skyrail Wedding Experience

Skyrail Rainforest Cableway is the most scenic and environmentally sensitive way to experience the rainforest and Wet Tropics World Heritage area, so why not celebrate your special day in these unique surroundings?

Wedding ceremonies at Skyrail may be held at Barron Falls station for up to 30 guests, inclusive of the bride and groom and if required, your wedding gondola can be adorned with simple white decorations providing an elegant arrival to your ceremony.

With spectacular views against a stunning tropical backdrop, make your day one you will treasure forever and celebrate amongst the natural serenity of the rainforest. For further information and to arrange a complimentary site inspection, please contact our friendly reservations team.
